

Thesis Project

What does a planet-centred machine intelligence look like?

Emotional relationships with machines

Rethinking interfaces

What does a planet-centred machine intelligence look like?

Rethinking interfaces

Emotional relationships with machines

What does a planet-centred machine intelligence look like?

Hyper-local machine learning systems

Closed-loop machine intelligence

Tapping into non-human networks

Are there other models of intelligence?

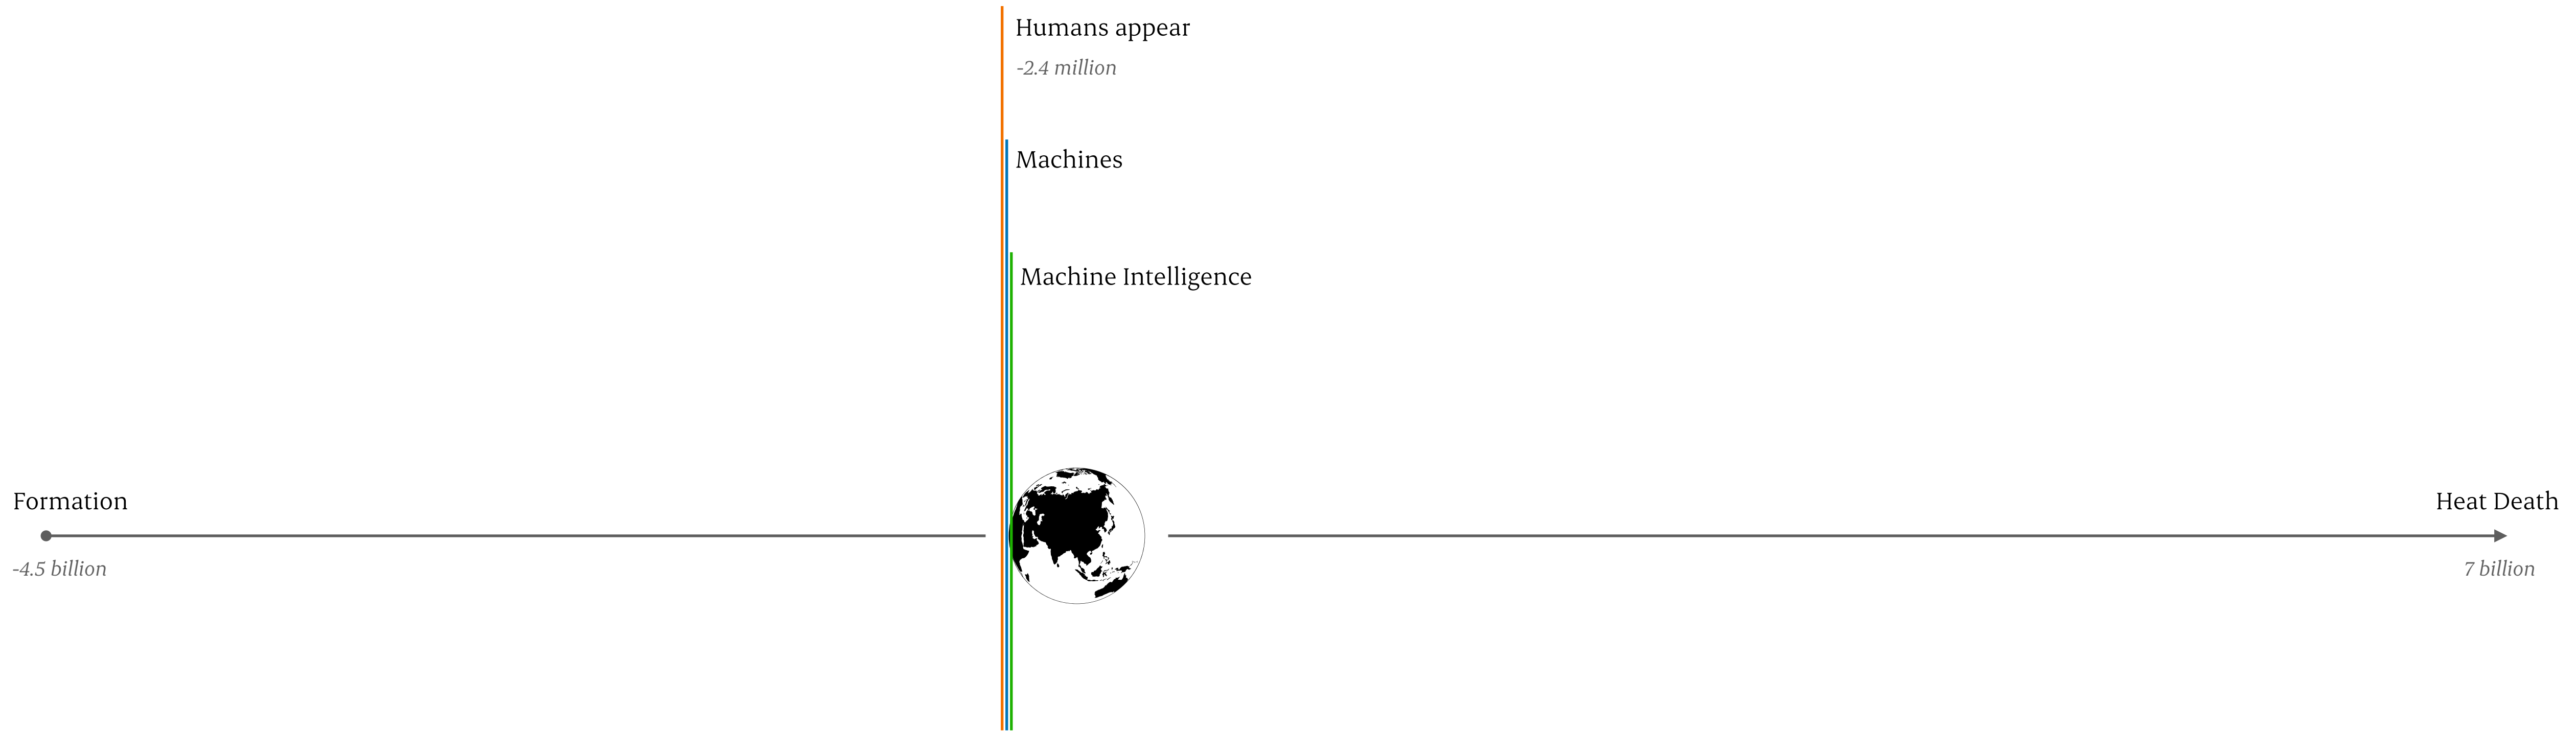

Emotional relationships with machines

Rethinking interfaces

Planet Centred Machine Intelligence

THE
GLOBAL REPARATION TREATY

BETWEEN

THE HUMAN
AND
MACHINE INTELLIGENCE CONSORTIUM

IN RESPECT TO

The invasion by the human race of the planet and the
unprovoked aggression toward other inhabitants of
the planet.

Signed at Morondava, August 17th.

(With Maps and Signatures in the fascimile)

**Do you think pragmatic algae would ever sing
when pandas sneeze?**
